AWAKEN SUMMER IMAGINATION! – HEALTHY KIDS DAY 2018

2018 Healthy Kids Day
JOPLIN FAMILY YMCA

Join us as we celebrate area kids and families with our Healthy Kids Day event on Saturday, April 7, 2018! This event will give local businesses and organizations that serve children ages birth – 12 and their families the opportunity to connect and communicate with those who seek their services. From family entertainment, to education and health screenings, our goal is to introduce families to resources that will help them stay healthy and active for years to come.

Healthy Kids Day, an initiative of the national YMCA, is the nation's largest health expo for kids and families. Free and open to the public, Healthy Kids Day is held prior to summer and designed to emphasize the importance of keeping active and engaged to enhance problem-solving abilities, creativity and social skills.

This event will be held on Saturday, April 7, from 8:00am-12:00pm at the Joplin Family YMCA, located at 3404 W. McIntosh Circle Drive, Joplin, MO 64804. We invite businesses and organizations that offer services related to health, physical activities, summer programs, arts and culture and more to join us as we enhance the lives of area families.

Booths for Healthy Kids Day 2018 are available at \$25 for businesses (free to nonprofits and Healthy Kids Day sponsors). All organizations that participate are also asked to bring a giveaway gift valued at \$25 or more for drawings that will take place every half hour. (Gift certificates for services make great prizes!)
