CLASS DESCRIPTIONS:

AQUA BOOTCAMP: Strengthen your core, burn calories and increase cardio endurance using all 620 muscles with intense movements all set to music. Fun, challenging total body workout with minimal impact on your joints.

AQUACISE: Moderate intensity, vigorous, water-supported exercise class using water resistance to increase cardiovascular endurance, muscle tone and flexibility.

ARTHRICISE: Low intensity program designed to help relieve pain and stiffness caused by arthritis with gentle activities in warm water, primarily held in the shallow end of the pool.

AQUA ZUMBA®: High intensity, safe, challenging, water-based workout that's cardio-conditioning, body-toning, and most of all, exhilarating beyond belief (Splashing, stretching, twisting, even shouting, laughing, hooting and hollering!)

SPLASH FOR DIABETIC HEALTH: From aquacise to water dodgeball, this class will get you moving, helping you manage blood sugar through weight loss while surrounded by a supportive community of other diabetics.

WATER IN MOTION®: High-energy, calorie-burning workout combines cardiovascular training with muscle-toning techniques in the massaging environment of the pool for reduced impact on joints.

* Classes held at Downtown are marked with a (D) and classes held at South are marked with an (S).

All classes are free to members. Nonmembers may purchase a day pass for \$6 to participate in classes.
