

MEMBERSHIP MEANS MORE AT THE JOPLIN FAMILY Y

At the Y, we're more than a gym: we're a community.

When you join the Joplin Family YMCA, you join the 9,000 people who, like you, are journeying towards a healthier lifestyle in spirit, mind and body. These members are what makes the Y special. Their goals, accomplishments and the support they show one another are the essence of the Y.

YMCA membership connects you and your family to opportunities unlike any others. From our dynamic group fitness classes to our supportive child care programs, all of what we do is backed by our dedication to strengthen our community.

As you consider a Y membership, please feel free to contact me to set up a tour of our facilities and see for yourself why our members can say, "This is my Y."
