- Staff will remind all members through interaction and signage to wipe down equipment and surfaces after every use, promote social distancing, and frequent handwashing.

When notified by the local Health Department that a member or program participant has recently visited our facility with a positive COVID-19 test, we will follow the HD quarantine protocols.

We will follow all instructions and procedures set forth by the State of Missouri concerning positive cases in a licensed child care setting. Click on the link below for more info.
